

Francisca Miles

Age

Age 65 or older

Highest Level of Education

Finished Highschool

Industry

Agriculture

Organization Size

Self-employed

Biggest Challenges

- Hard to move around the house to watch every spot
- Making coffee and closing the blinds takes too much time
- Doesn't want to go home just to make sure the lights and blinds are shut

Personality

- Hardworking
- Passionate
- Confident
- Cheerful
- Altruistic

Scenarios

- Francisca has to work on her farm all day and she wants an easier way to control the house while she is away from it.
- She wants to be able to turn on/off the lights or shut the blinds when she isn't at home.
- She wants to be able to watch every spot on the house without needing to go there.
- Wants to be able to close the blinds or make coffee without needing too much effort.

Story

Francisca grew up in a village and she used to work in a farm all day helping her parents.

She finished highschool and went back to the village to continue farming since that was what she liked to do.

Now she has her own farm where she grows the food she needs to sustain herself and does what she likes which is farming
